Warm Summer Greetings!

We love summertime. Warm sunny days that linger and then slip into starry nights, outdoor dining with grilled foods and passels of friends, a happy happy vineyard that is perfectly progressing toward harvest 2009. And relaxing with a glass of wine on the porch! Summertime, and the livin's easy....

Library Wine of the Month

My apologies that we ran out of our June Library Wine of the Month - it flew out the door fast! But not to worry, we have a new one to offer this month and next. There is lots of excitement as we pour these selections in the Tasting Room during their respective months.

This month (July): 2003 Lollapalooza

Next month (Aug): 2004 Elton

3 bottle limit per customer, while supplies last.

Wine and Dine

Do you have a bottle of Hunnysuckle Sauvignon Blanc tucked away in your cellar and you're just not sure what to serve with it?

My sister, Jody, has created a **fantastic salmon with mango salsa recipe** that is sure to whet your palate - and your appetite!

Impress your guests in the kitchen
